INTRODUCTION & AIMS

The slide features a light blue background with decorative hexagonal patterns in the corners. The top-left corner has a cluster of overlapping hexagons in various shades of blue and teal. The bottom-left corner has a few smaller, outlined hexagons. The bottom-right corner features a larger, more complex arrangement of overlapping hexagons in blue and teal. The title 'INTRODUCTION & AIMS' is centered at the top in a bold, blue, serif font, enclosed in a thin blue rectangular border.

MATERIAL & METHODS

The slide features a light blue background with decorative hexagonal patterns in the corners. The top-left corner has a cluster of overlapping hexagons in various shades of blue and teal. The bottom-left corner has a few smaller, outlined hexagons. The bottom-right corner has a larger, more complex arrangement of overlapping hexagons in blue and teal. The title 'MATERIAL & METHODS' is centered at the top in a dark blue, serif font, enclosed in a thin blue rectangular border.

RESULTS & GRAPHS

DISCUSSION

CONCLUSION & REFERENCES

The background of the slide is a light blue gradient. It is decorated with various geometric shapes, primarily hexagons, in shades of blue and teal. Some hexagons are solid, while others are outlined. There are also larger, more complex geometric shapes in the corners, creating a modern, abstract design.
